

LETTER OF INVITATION №1
50th International Scientific and Practical Conference
“APPLICATION OF LASERS IN MEDICINE AND BIOLOGY”

DEAR COLLEAGUES!

According to the plan of conferences (certificate № 464 dated October 01, 2018, issued by the State Unitary Enterprise "Ukr INTEI"), the **50th International Scientific and Practical Conference “Application of lasers in medicine and biology”** will be held in **May 2019 from 22 to 25 in Kharkiv**, on the basis of the V.N. Karazin Kharkiv National University.

The following topics will be discussed within the framework of this conference:

- **application of Lasers, LEDs and Bioptrons in medicine;**
- **laser surgery;**
- **photodynamic therapy of malignant tumors;**
- **antibacterial photodynamic therapy;**
- **photodiagnostics;**
- **application of photon technologies in agriculture and veterinary medicine;**
- **new directions in photo medicine and photobiology;**
- **physical and technical fundamentals of photobiology and photo medicine.**

Within the framework of the conference will be held:

- youth section (reports of students, graduate students and young scientists);
- exhibitions of new equipment for photobiology and photo medicine;
- 40th session of the Problem Commission of the Ministry of Health and the National Academy of Medical Sciences of Ukraine "Laser Technologies in Medicine"

Working languages of the conference are Ukrainian, Russian, English (it is planned simultaneous translation from/into English).

Proceedings will be published before the conference.

Abstracts are accepted in Ukrainian, Russian or English.

Deadline - April 20, 2019.

The conference registration fee for the participants is 150 Euros (there are provided grants of the Organizing Committee for invited speakers). The registration fee includes publication of abstracts in the Conference proceedings, Proceedings of the conference, Conference Program, Certificate of participation, coffee breaks.

For participants, who do not come to the Conference, publication of abstracts in the Proceedings - 60 UAH (2 Euros) per page.

Speakers get Jubilee wall pennant.

The cost of one square meter of the exhibition space is 400 UAH (13 Euros) per square meter (the minimum area for the exhibition of devices is 4 m², and for the exhibition of literature - 2 m²).

Culture program proposes excursions around the city, museums of Kharkiv, visiting Kharkiv Regional Philharmonic Society, Kharkiv Academic Opera and Ballet Theater.
